About Me

Hi,My Name Is Adama Diouf.
I started studying engineering in March 2020.Since then I have been learning a lot of things every day to further my skills.I like to learn and try new things.I am a big fan of learning programing while making productions. I am proud to say that I always work hard and do my best to live up to expectations people have for me.😎

I am a creative developer who has a great passion for learning engineering.😎 currently I'm a freelancer.
